I have 21 years Exp in Painting. Have been working for house flippers last 6 years and right now its kind of slow. I have all my own tools and am very professional and clean cut painter.. You supply the paint and ill supply the experience and labor. My per room rate will be the cheapest you will find or the whole job.

I have plenty of references if you need..

Ill protect your floors and any furniture that may need it.

I also do Woodwork from staining to finishing it.

Drywall repairs along with new hanging and finishing

Caulking of any kind(ie. tubs, counter tops, trim).

I also do gutter cleaning and bush trimming.

If you have something else you might want done just let me know..Interior or exterior

Times are rough right now and will work with your budget . Email for more info
