I'm 41 and a mom to 3 beautiful kids. My youngest is almost 16 months and is home with me and my other kids are at school all day . I'm looking to work with just one family. Open to any age group. Hours can be flexible and rate will depend on hours. I have a clean and nice home with big backyard for outside play. I love kids and I'm very nurturing. I'd love to take care of your little ones and provide plenty of love, fun and education. Also provide nutritious meals and snacks. I speak fluently in Russian and English at home. Contact me for more info! Thank.
