Coffee tables seem to be hard to come by and highly sought after. We've got a great vintage one that we just did in a gorgeous red with light distressing and antiquing.

Find one-of-a-kind home decor & furniture items for every room in your home. We specialize in re-purposed, refinished, and professionally painted pieces at Mustard Seed Home Decor & More. Styles include vintage, antique, contemporary, rustic, traditional and more. We are family owned & operated. Looking for something specific? Ask us! We have a huge inventory of unfinished and available pieces to choose from. Find your item, and then decide how you want it finished. Choose from more than 100 colors, many paint techniques like shabby, distressed, solid, antiqued. Let us customize the piece for you and your home. We'll also paint pieces you already own. Send us a picture via email or call us today to receive a quote.

WE'VE MOVED! Come see us at our new location (across the street): 223 13th Ave. South, still in Downtown Nampa.
