Hello Ladies,

I am looking for ladies of all types that are interested in being a SG model. I am trying to become a regional photog for the SG website and need to work with those that have the required look.

Those that participate will get a copy of the photos & my release to use them for the SG site. This is my website <http://realizeddreamphoto.wix.com/realizeddreamphoto> to showcase my work and attract models, but thought to use Craigslist to offer the idea to a more Ladies. I have a few abandoned locations in MOBILE, AL that would be great to use, 1 is an abandoned factory!!

To be clear, I am NOT currently a SG photog. I am located in Mobile, but if you have or know of a location closer to you, I am up for it.

Please contact me asap to start discussing booking times and ideas. Only serious inquiries from those that can be professional and courteous need to respond.
