

Newhome Treadle Sewing Machine in Cabinet (155 USD)

Location

Montana

<https://www.genclassifieds.com/x-700969-z>

This is one of the nicest antique sewing machines that I have seen anywhere. It is a Newhome; that is noted on several places on the metal section at the bottom. The piece is 34.5" wide by 18.5" deep by 31" tall. There are 4 drawers. The treadle mechanism moves.
