Encore Event Technologies, part of the Freeman family of companies, is the leading provider of unique, creative and innovative in-house audiovisual services for hotels, conference centers and resorts throughout the United States. Encore Event Technologies partners with hotels and event planners to develop optimum ways to deliver event experiences with maximum impact utilizing cutting-edge technology. With state-of-the-art equipment and hospitality-minded, technology professionals, Encore sets the event technology pace for all competitors in the industry. Encore Productions, the production division of Encore Event Technologies, is a full-service creative production and A/V equipment rental company, helping clients tell their stories in Las Vegas and around the world.

SUMMARY

Encore Event Technologies is looking for an experienced and customer focused Part Time Event Technician. This important role is responsible for the set-up, removal and operation of Audio Visual equipment in a hotel environment, while providing an overall positive experience for our guests and clients. Additional responsibilities include:

Ensure all set-ups are according to the client's expectations and that all inventory is in good working order and rental condition

Greet guests and clients before the event and provide clear instructions on how to operate equipment

Minimum Requirements  
High School Diploma or GED
