

Looking to hire a Party Planning Asst (Las Vegas)

Location **Nevada**

I've been hosting monthly themed parties since I was in college.
I'm an entrepreneur who travels extensively for business, when I have downtime in my schedule I host parties as a fun way to indulge my group of friends.

These parties are self-financed, this is a not for profit endeavor and the invite list is exclusive (there are no tickets publicly available). Due to the risque nature of the parties and my priority of maintaining discretion N&F does not participate on social media.

Currently these are a few of the party themes that I am considering for upcoming parties:

- Brazilian Carnival Pool Party (where the hostesses will wear colorful Microkinis)
- "Heels Only" Champagne Party (this theme is self explanatory in a fun way)
- Venetian Masquerade Party (where the hostesses will wear Black velvet cloaks, Venetian Masques & accessories)

If you're still interested and comfortable with everything thus far, let me know and I will follow up with you when I have scheduled a date/time for interviews :)
