Need a place to rehearse?  
 I have 1 monthly rehearsal spot available for \$115 a month. This guarantees the same day will be available every week with the opportunity to have more than 4 practices a month along with some free rehearsal recordings from time to time. I also record the rehearsal bands that stick around for an extremely low rate! (and my rates are already ridiculously low).  
 Or  
 Rent the studio for a 4 hour rehearsal block for \$30 (winter rate) \$5 for every additional hour. Blocks available 24 hours a day.  
 includes pa, microphones, and drum kit (must supply own cymbals)  
 Or you can bring your own.

So call now to discuss your project and see what I can do for you.
