Jasmine is a 10 year old female Bengal. She is very loving personality & loves attention. She actively seeks attention by talking to you & rubbing herself on you until you pet her. She wants to do whatever you are doing. She has not been around allot of dogs but given her nature, she probably would not pay a second thought to a dog. She loves everyone & everything. She's the one in the picture taken outdoors.

Layla is a 2 1/2 year old female Bengal. She has beautiful markings & loves to play. She is very smart & like Jasmine she loves attention & wants to be in the middle of whatever is going on. She is very smart & verbal. She's the one sitting on the table.

Both girls are full blood Bengal and are intact but will come without papers. We are asking \$300 each for rehoming to ensure they get good homes. Please contact
