

## Gallagher M100 The Wrangler Electric Fence Energizer (Fairwood Greens)

Location **Washington**  
<https://www.genclassifieds.com/x-701381-z>

The Gallagher M100, also known as the Gallagher Wrangler, is the perfect hassle-free light energizer. The Wrangler/M100 powers up to 30 acres of multi-wire fencing straight from your ac outlet in the barn (or wherever else you may need it).

Product #: G330414

Powers up to 30 acres/6 miles of multi-wire permanent fence

Stored energy: 1.0 Joule

Indicator light flashes with every pulse

Maintains output voltage through heavy fence load

Low impedance

## Stainless steel terminals

Miles Sing-Wire Fence: 17.7 mi

Miles Mult-Wire Fence: 6 mi

Approx. Acreage: 30 acres

Stored Energy: 1 joules

Output Energy: 0.8 joules

Voltage Rating: 7 kV

Used for 1 yr on 150 ft. of fence to keep our 2 dogs in the yard. We recently put up solid wood privacy fence and no longer need the electric fence.
