I produce award winning resources to help businesses
sell online.

Hi, I'm Aaron and I manage eSeller.net - an online resource site for people who want to sell online. Content,
marketing, advertising, events, you name it I cover it as I gather contributions and drive a programme of activity
and solution creation to support digital sellers.

We are an open community for talents. We are doing a series of Expert Focus articles featuring experts in their respective fields, and would like to invite you to be part of it.

Currently we are seeking talented individuals from all arts and performance fields, including photographers, videographers, designers, artists, directors, producers, models, dancers, singers, actors, costume designers, choreographers, musicians, makeup artists, mixers, crew etc. to be featured on our ExpertBe and our social media.

Do sign up at www.expertbe.com/feature, build your profile (see attached sample image), and reply to this email with your username and additional photos and information.

Thanks!
