Hello, my name is Ashley. :)

I'm a stay at home mom to a 2 year old boy, and a two month old girl. I'm looking to do some babysitting to help bring in a little extra money. Besides being a mother myself, I have tons of experience with children ages newborn to 10. I can provide references, and I have reasonable rates. I'm located in Milwaukee and prefer something in the surrounding areas.

As a mother I know how hard it is to find someone trustworthy enough to leave your child(ren) with, But I also know it is important to get some alone time every now and then, or to go to work, ect. I'm hoping I can make you having to leave your child(ren) a little easier for you by knowing you're leaving them in the care of someone who is warm, loving, and responsible. Someone who will do activities, games, entertain and treat your child(ren) like my own.

Please contact me with any questions you may have. I look forward to hearing from you! :)
