My name is Crystal. I have two kids of my own at Eagleville School. I take and pick up my daughter and son from school everyday. I use to watch kids in Murfreesboro but we moved to Rockvale because we wanted our kids in Eagleville School. I have worked in childcare for 15 years, at World Outreach Church, daycares, Substitute Teaching and my own children.

I have two spot open for Mon.-Fri. 8am-6pm unless otherwise specified. \$150 a week. Healthy snacks and lunch are provided. Lots of toys, play ground, nice yard for the kids to play, learning games, and books!

I am also able to watch children after school but only from Eagleville School. \$75 a week. Just send me an email on what your needs are and I will get back with.
