I'm thinking the Mount Juliet area needs a Smooth Jazz group comprised of musicians living in the area. For more than 3 years I was the guitarist for a group that started out playing smooth jazz, and eventually started playing, 'Old Time Rock & Roll' and 'Taking Care of Business' ... yeah!, seriously - 'Taking Care of Business'!!!

I've read numerous posts where folks say, "only people in their 20's wanted" or, "mature musicians wanted" - personally, I don't care.

Ideally I'd like to find keys, bass, drums, & sax who live in or close to Mount Juliet. I even have a nice rehearsal space.

Reply if you're interested.
