LOST! LOST! LOST!

I recently lost a robber, I found him hot wiring my Jeep at the Parliament Apartments and then he got lost after we ran for a while, it was just a friendly game of tag. I have him on the security camera, so it is just a matter of time before we get to play more fun games together. I really want to find him so I can give him back the screwdriver and knuckle sandwich he left behind. He also forgot to give me the \$1000 he owes me to get my Jeep running again. The thief left my Jeep in such a hurry and never put his things back, that makes me sad. I hope to find him so he has an opportunity to fix his mess, I think he really wanted to just got distracted by the game of chase we played. I hope the artist rendition I have created meets your likeness, I aim to make sure I grasped your rugged druggy look in full detail. Next time you want to play a game of chase, let me know, I will be ready with more fun items to tag you with. So, I really hope next time he is at the Parliament Apartments in the DTC area he will let me know so I can have things ready for more of a game of knock out instead.
