I am selling my 2012 Hyundai Sonata. The car has 63,400 miles on it (mostly highway). The car has had only 2 owners (myself being the 2nd). Car has nothing wrong with it, runs and drives like a brand new car. There are no major scratches, dings, or dents on the exterior and the interior is in excellent shape as well. Car has had its oil changed every 4500 miles. Just got it freshly detailed inside and out. Here are some of the features:

Keyless entry

Bluetooth

Sirius XM compatible

Hands-free controls on steering wheel

iPod connectivity

ECO Button resulting in 34/mpg hwy

I am moving and need to sell the car. I would keep this as my daily driver if I were not moving. I get compliments on all the features of this car and really like it. A/C is super cold and the sound system is a great feature. I am a car lover and I am looking for someone who will take care of it. Please let me know if you are interested in the vehicle. I am asking for \$10,499. My number is 701-647-7016 or text me at 701-647-7016.
