Hello - this is going to sorta be an odd job posting, but this is my situation currently... I am in need of a driver - do not need to be a professional - just some one who can drive me where I need to be.

I have a very specific schedule until about mid-December. Details for after December can be discussed at a later time.

Since I currently reside in Montebello, I would prefer if you lived in or near Montebello as well - for time purposes. Below is my schedule, as basically as I could put it..

Monday: Montebello to Santa Ana (4pm) Santa Ana to Montebello (9:30pm) = approximately 52 miles total

Tuesday: Montebello to Los Feliz (9am) Los Feliz to Montebello (5pm) = approximately 30 miles total

Wednesday: Montebello to Los Feliz (9am) Los Feliz to Montebello (5pm) = approximately 30 miles total

Thursday: Montebello to Santa Ana (4pm) Santa Ana to Montebello (9:30pm) = approximately 52 miles total

Friday: Montebello to Los Feliz (9am) Los Feliz to Montebello (7pm) = approximately 30 miles total

This schedule is my typical week, however sometimes it might be less (I.e I don't got to school one day or work, etc).

I am able to pay \$200 for a weeks worth of driving the above schedule. I know that the amount is low but thats all I can afford. If there is anyone who needs the extra cash and is willing to help me out in exchange, please feel free to contact me.

When responding please be aware that I will only be found for safety purposes, I do not have valid driver's license, or insurance. I look forward to hearing from you.
