Beautiful 1 bedroom available in a fantastic community in Methuen. You can tell that the management really cares about these units because they are meticulously maintained, and they just put in a BRAND NEW clubhouse with gorgeous common areas and a state-of-the-art fitness center! Not to mention it's very tough to find central air conditioning and laundry-in-unit in this price range. Super convenient location with less than a 5 minute drive to 495 and less than two miles from "The Loop" shopping center. There you will find restaurants, a movie theatre, Home Depot, Walmart, and plenty of other conveniences. For commuters it's a quick drive up to Haverhill, or down to Lawrence, Andover, and Lowell. The apartments feature:
