Hello Everyone,

My name is Tonya(aka Tee). I sing and write gospel/christian music. I have an album that I recorded at home and I need the services of a great mix & master engineer. I have 9 songs that need mixing & mastering. In return for your services I will record vocals for your project(s) = to the # of songs that you complete for me. I realize this venture will not be for everyone but it will be for the right one! If you're interested please contact me via CL email. I will respond! I can send vocal samples(think soulful/R&B-ish) and samples of my album at that time.

Thanks for reading
God
