

Chinese Scooter Repair and Service

Location **Minnesota**
<https://www.genclassifieds.com/x-701838-z>

We specialize in Chinese Scooter, Moped, ATV, Quad, Dirtbike, Motorcylce, Go Kart and even on Razor Scooters Repair! Do you have a bike that's hard to start or has just been sitting around for a while and now it doesn't start? Bring it to us. We will fix it for you. FAST.

We know how to fix Chinese engines. It is what we do best. We carry most parts in stock and have quick turnaround times.

Do not trust mobile mechanics that will do the job halfway and leave you halfway because they do not have the part you need. We have had to finish their jobs plenty of times. We can even have your bike towed.

Here is a list of some brands we will service: Jonway, Roketa, NST, TaoTao, Shenke, BMS, Boreem, Xing Yue, Shineray, Peace, Ice Bear, SSR, Coolster, Motofino, Moto Bravo, Zongshen, KMD, SunL, Znen, Lance, and Leike. If we forgot to list it here, call us and ask!

We also carry parts like Carburetors, Batteries, Tubes, Throttle Cables, CDI, Voltage Regulators, Starters, Solenoids, Light Bulbs, Gas Filters, Tires, and much much more. Just call us and ask!
