My name is Jessica and I have done childcare for over 10 years. I'm currently looking to add 3 little ones to our group. I am FBI fingerprinting, in the approved system with DCS, cpr, first aid, safe sleep, childcare courses, but above all that I'm a mother who loves children and takes pride in being apart of their development. I charge \$20 a day for part time or \$75 a week full time. I give quality care and include food program approved meals, activities. I'm not here to charge parents half their paychecks, but to help doing something I love doing. If interested contact me at

I'm located off Rural close to downtown and off 465. Pictures below show our learning areas, play room, and outside play area. Kids will be able to move around the first floor rather than being secluded to a room all.
