Extra large capacity in-counter soap dispenser from Kitchen Classics. Brand new and in box, never installed, never used.

Yours for a song.

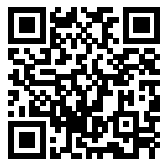

Keep your new kitchen counter tidy and organized - get rid of the annoying and sticky bottle of dishwashing soap you've been storing in the sink bowl or on the counter. Install a simple in-counter soap dispenser - the extra large capacity container on this model means you don't need to change out the soap often.

Other kitchen renovation things listed as well - please check my other.
