I've performed it all: Pop, hard rock, disco, cover in my early years; classical for several yrs as a hired tenor soloist and section leader; and, jazz over the past several years, though nothing in Boise.

I'd like to get together with a trio consisting of piano, base and drums to put a repertoire together for future gigging (clubs, special events). I'm confident several sets of tunes could be prepared in a short time as I know, and have done, lots of music.

Lee @ Call any.
