

Vintage Antique Creatives Makers Etsy Shop Vendor Space for Lease (Broadview Road)

Location **Ohio**
<https://www.genclassifieds.com/x-702192-z>

Makers + Creatives + Antique + Vintage Junk dealers wanted!

Do you have an Etsy or eBay store? Always wanted a brick-and-mortar location but the overhead is too much to consider? Contact us!

This is a very cool 1930's storefront with a great vibe like something out of Country Living Magazine.

If you have ever wanted to open your own retail space, but don't like the idea of major overhead or long term leases, or don't have tons of \$\$ for inventory, this is for you!

We are opening the Treasure Loft in Richfield, Ohio which was a store open for 40+ years. It closed in 2004 and we are excited to bring it back to life!

If you're not familiar with Richfield it's halfway between Cleveland and Akron, next to Brecksville, Peninsula, Hinckley and Bath.

We are searching for some great people interested in leasing some space inside the store. We do have a few spots left!

Not interested in renting an entire space but have inventory you wish to sell? Do have a handmade

product that doesn't take up a lot of space? We have plans for all that too!

For those antique, vintage dealers, makers, creatives and Etsy shop vendors who want to have something special.

The spaces we have left are

50-200 per month depending on the size

Our vision for this property includes having a "barn" sale and farmers market style events throughout the summer and fall to attract more people. We want this special place to be the heart of the community.

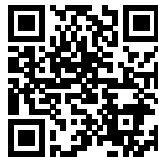

It's close to a 70 acre park and almost at the corner of 200
