I have for sale my Apple iPhone 4 16GB for AT&T. This iPhone works great and has been used on AT&T and on H2O Wireless.

The iPhone looks great. The only issue with this phone is a slight crack across the bottom of the screen.....the crack is barely noticeable and does not affect the operation of the phone at all.

The iPhone comes with a USB cable, car adapter and the Book case shown in the picture.

The price is \$75 or make me a reasonable offer, **SERIOUS** Inquiries only! I am a motivated seller, YOU be a motivated buyer! Read the description carefully the item **DOES** work and is as described. Please contact via phone or email only, I cannot receive texts, so **NO TEXTS PLEASE**.
