Free 2 year old American Bulldog, thorough breed. His name is Kali and he's not fixed! I need to have him rehomed before Monday because he's not allowed in my new apartment. He's a great dog, he's house trained and knows a couple of tricks and he's very protective. He does okay with small children but I'd prefer that he goes to a home with older kids or none if possible. He comes with two new bowls, a prong collar, and 2bags of dog food
