Stephen "Thunderdome Prepper Personal Trainer" Perez here. I love all things awesome. 25, Cuban, zombie, poet, warrior, nerd, powerlifter, and I love Charlie Brown holiday specials! I'm looking to bring the old school, and new school together! I believe with hard work one can accomplish anything. I've achieved a plethora of accomplishments I was told would never be possible, and I love to show others that with hard work, dedication, and self belief so can they! With a life of difficulty, and hardship the gym is what kept me focused. No drugs, no booze, just iron. I finished my ISSA Certification while living in my car my senior year in HS. I have a near 2000lb squat, bench, and deadlift total as an ALL natural powerlifter. I've helped clients gain 40 pounds of muscle in less than a year, and lose over 100. My private studio gym is new, and may look intimidating, but it's got everything you'll need, and nothing to fear. Genetics, age, race, gender, sexuality, religion, all are welcome at Desert Pit! The new school old school! No glitz, no glam. No drill sergeant screaming, or judgment. Just respect, and hard work! Let's do this!
