Hi, my name is Holly. I have 3 daughters of my own that are all in school (18, 17 & 11). I have been providing childcare in my Solon home for the past 9 years. We have a large fenced in yard with many toys to play with, as well as a huge swing set that the kids absolutely love. Our days are spent learning through play and having alot of fun. (ABC'S/123, coloring, dancing, reading etc.) CPR/first aid certified. I am also available if you should need before/after school care, summer care, days off school/snow days, etc. Excellent references available. If interested, please call I look forward to hearing from you soon.

Have a great day!!!!!!!!!

Sincerely,
