This home is perfect for a large family. 5 bedrooms and 4.5 bathrooms it has 3 living areas including a play room. It will make a perfect home school since one of the rooms has built in desks.

Listed below appraisal value! Spacious home with tons of storage in a prestigious community! Amazing back yard with a pool, fire pit & plenty of room to entertain.

The master bathroom could use a remodel. But in general the house is in excellent shape.

You will need \$25,000 down payment which gives you the option to purchase the property at a future date while renting. Purchase price is \$399,900. (the \$25,000 goes towards the purchase price)

You have 3 years to buy the property. Rent is \$2,900 and I will apply \$290/month the first year only back to purchase price.
