Hello, I have a rental property in haverford pa and need a new chain link fence installed. One small gate in rear and one large gate at driveway (big enough to fit car through) it's 80 linear feet of fence needed including gates. Please give me an estimated cost per linear foot for 4' high chain link install. Thank you .

Please only respond if you know how to do this work and will deliver a quality result. If this goes well, we will have steady work for you. With same or next day pay! This property has a BONUS AND EXTRA MONEY. Inquire for details. Jon need to be done Monday November 2,
