<https://www.genclassifieds.com/x-708745-z>

We are looking for a reliable snow plow sub contractor in the Westlake Ohio area to service an accounts of ours. Must have contractor liability insurance. Paid every 2 weeks and work every time it snows. The property is located in Westlake and Local contractor in the area preferred. Please email me the type of truck, plow, hourly rate for truck and your experience. We can set it up as an hourly wage or we can do a per service for the site. Property must be cleared by 5am as they open at 530am. We also have another lot that is 5 minutes away that would need serviced once you are done with this first one. The lot is all wide open with a couple of light posts but other than that a straight forward push. If you have the possibility to spread salt then maybe we can work out a price for salting as well. Thanks

We found out some emails were going to spam. If you applied please re apply so we can get in touch. More properties need to be filled. More properties on the list in westlake if you would like to pick up more work. All commercial lots.
