We are looking for a reliable snow plow sub contractor in the Lakewood and downtown Cleveland Ohio area to service a couple of accounts of ours. All commercial lots. Must have contractor liability insurance. Paid every 2 weeks and work every time it snows. The properties are located lakewood, downtown Cleveland and westpark from December 1 to April 1. Local contractor in the area preferred. Please email me the type of truck, size plow, hourly rate for truck and your experience. We can set you up with a full 5 hour route and if you have salting abilities that is also a plus. Looking to get all routes full before the end of August to ensure full coverage. Thanks for your time.
