Small, busy general contractor needs experienced person to do all phases of residential remodels. We do everything, a short list includes cabinets, tile, framing, drywall, paint, windows, doors, the right person knows the list. Great projects in a relaxed workplace. Experience is a must. So is dependability, good communication, transportation, tools, and a good attitude. Great growth and management potential. No lay offs in the last 5 years. Respond with a brief description of experience. Current project is in South Seattle. Construction, building,
