Hi, like the ad says, I'm looking for a room in the Everett area for 3 months starting Nov 15th. I'm a 29 year old male who will be working nights at Providence hospital. I also have a dog who is a Rottweiler lab mix. He is a sweet dog who gets along great with other dogs and people. He VERY rarely barks. I am a quiet person who does not smoke. Would prefer a room with private bathroom. Feel free to email/text/or call..
