Hi everyone,

I'm a traveller looking for a ride from Seattle to the San Francisco Bay area (Berkeley) leaving this Friday 30th Oct. I just have one small backpack, and one larger backpack (50 litres capacity) that I'll be taking with me. I'd be happy to contribute towards the gas/petrol and buy you a meal along the way. I'm currently staying at a hostel in the Seattle downtown area, but I can travel to your location if that works out better. Look forward to hearing from you!

Cheers,
