

# Musicians needed for East Coast music compilation CD (Rhode Island)

Location **Rhode Island**

Each year we put out a music compilation for bands. It's a great way to get some exposure and cross promote with other groups. Right now I need 1 more band or solo artist to complete this compilation CD.

Each band gets 100 cds and we only ask for people to cover the costs so it's \$60 per band. Get your music into the hands of hundreds of people. Some groups sell their CDs for \$5 and make over \$400 in profit while others choose to give them away to promote themselves locally.

You must have at least 2 recorded songs you are willing to contribute.

Please message me a link to your music if you are interested in being involved.
