

1956 International short wheel base truck (2500 USD)

Location **Texas**
<https://www.genclassifieds.com/x-708882-z>

1956 International half ton shorty wheel base truck

This is a perfect "barn find" with super nice patina. 100% original and complete. It has an OG cylinder that turns over but had not been fired-up yet, only rust is in the passenger side floor (see pics details)

Trucks appears to not have been wrecked, has punctured holes in the drivers door & hood that only adds character in my opinion .,It does have an OG "cattle guard" also a factory dealer rear bumper. This truck is a perfect restoration piece or in its own state "slam it drive it"!

see a photos for details
