Hi,
Divorced Male here.

I am seeking a male with strong hands to provide massage tonight. I can host or travel. Prefer to host. Amateur is fine. str8/bi/gay, doesn't matter, long as you can do massage, and be clean, discreet, non-smoker, low key, and personable. Nice, professional guy here, who is under stress and I need to be able to relax. If it works out, I might also be looking for a regular gig. Reply with age, and info about you. No endless emails, only reply if you can do this.
