

## **Guitarist into Jazz**

Location **Tennessee** https://www.genclassifieds.com/x-708936-z

I'm a guitarist, looking for musicians to put a trio together Into Jazz, fusion, exploring sound and time, rock great gear

if i find the right musicians i am willing to subsidize rehearsals and back gigs i'm looking for a bassist, fretless and fretted, midi bass capabilities would be awesome a drummer that can be soft as well as bombastic, and play tempo's from 25-300 I am very well studied, and always seeking to learn more and improve my craft, and i practice like a maniac, you should too please respond this ad with a bio and clips and or mp3's thank
