Am offering SEAMSTRESS SERVICES - mostly for repairing or altering. Mostly work on "alterations" - hemming, shortening, taking in side seams in/out, etc. Will consider Drape Hemming depending on the project difficulty.

My list of sewing projects include: Dresses - Casual, Prom + Bridesmaid, Pants Hemming, Jacket + Men's Shorts and Pants Zippers, Side Seam Intake, T-shirt Logo Tags, Baseball Jersey Numbers (8x4) & Letter, Mattress Cover Patching. moving Buttons + securing Buttons hand sewing, etc. Formal Dress fabrics have experience with - Chiffon + Satin Polyester. Have also created Hanging Fabric Bag with Loop - both ends have opening with elastic seams - this is a storage bag for stuffing your plastic bags inside. Very decorative to hang on a door or wall hook or door handle.

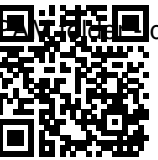

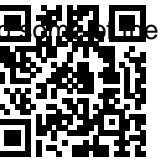

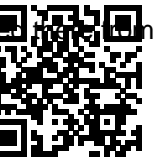

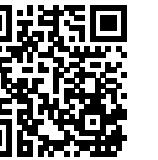

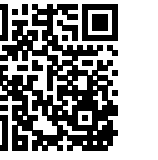

Have experience doing repair work on Civil War era costumes, including Hoop Skirts. Have done hemming + tailoring type work on a Trench Rain Coat. Worked on 6' Bunny Head + Suit. Recently sewed Double Knee Patches on number of Men's Jeans.

Have a newer machine that uses "stretch" stitch needles + dial, so thread seam "gives" with the fabric. Also uses "micro tip" needles for chiffon + sheer fabrics. Uses "denim" needles for denim jeans, etc. Has a assortment of 8 regular + zigzag stitches, plus the same 8 assortment for "stretch" stitches for stretch fabrics.

Projects will not handle: Blinds/Shades, Leather Jackets, Slip Covers or Chair Covers, etc.

Have been sewing for many years since age 16 - so have good experience. Have been working on these smaller projects with many satisfied customers and very good reviews. Will discuss pricing when am contacted.

All customers bring their sewing needs to my convenient location, close to Freeway, by Hwy 100, in Greenfield, WI. Send me an email with your questions. Thank You.
