I'm offering 50-100 per hour. 18+ of course, but no upper age limit. Perfect for college students and bored housewives!

I'm looking for a female model willing to be filmed being tickled for fifteen minutes to half an hour. Your face does not have to be in the shots at all, and you will remain fully clothed at all times. The most important thing is that you're comfortable, so you will get as many breaks as you need and entertaining conversation!

About me:

White male, mid 20s, well educated, employed, located in Santa Cruz. I would be glad to meet you somewhere in public to get to know each other and see how things feel before having a tickle session.

I like to tickle feet (which means you'll get foot massages during breaks!), so please send photos of yourself AND YOUR FEET to apply.

FAQ:

"Are you a foot weirdo?" YES, and it sucks. But I'm not an axe murderer.

"Do you have a girlfriend?" Yes.

"Why don't you just do this with her?" She doesn't let me play with her feet! but she's totally fine with my tickling with other girls.
