lost purse convention ctr light rail

Location Colorado https://www.genclassifieds.com/x-709014-z

I left my green and tan fossil purse at the light rail last night 10/29 at about 12:15am. There's honestly nothing valuable in there just my keys and sunglasses, would be very grateful if it was returned! I could spot you some cash or you could keep the purse itself just need the keys from it, thank!
