Please take the time to read the ENTIRE post - it saves us both some time :)

First off this is all nude/topless work so if that is an issue please save us both some time discussing details. This is all photography but not for anything published at all - more just to keep busy while I'm in the NWA area (most of my paid work is in Dallas/Fort Worth but I'd like to stay shooting while I'm home in NWA) so no your photos aren't going to be plastered all over the internet for everyone to see. You do not need to have experience modeling, just the proper appearance (meaning if you aren't height/weight proportionate, overweight, or have more than just a few stretch marks please don't bother applying). As for hours, I'm more than able to pay you for as many hours as you can stand (meaning blowing a few thousand on a model with a great body just to stay busy isn't remotely a concern for me - this is all for the fun of it so please be fun to work with) so if you're needing to build up some cash and aren't shy about your body then this works out great for us both. Lastly, you absolutely need to send photos and your number with your response - I won't bother responding to you if you don't have photos and if you don't include your number there's a great chance that emailing back and forth through here isn't going to always reach you so please make yourself easy to reach.
