For sale is a gorgeous and unique dining set with six oversized chairs. It is a large (and VERY heavy) glass top that requires two strong people to lift. The glass top sits on two plastered type pieces connected by a large log. The chairs are made is solid wood with tweed seats. The seats need cleaning but otherwise this set is in good condition. There are two arm chairs and four side chairs (only four shown but there are six chairs). This is a unique and one-of-a-kind set. I hate to sell but I don't have the room anymore. Asking \$250 or best offer. Must pick up and definitely need two people to move. The chairs are large and oversized. Everyone calls this the Flintstone set...lol.

I only accept cash. I cannot deliver. You must be able to pick up. Please reply with sale in the subject line so I know you're not spam or solicitors.

I'm also selling a living room set listed separately.

CASH ONLY! No spammers or scammers.

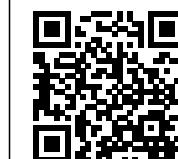

If you a serious about purchasing please reply with *Sale* in the subject field. Otherwise, I likely won't.
