

(((Trusted amp Reliable Home (,, USD)

Location **California**
<https://www.genclassifieds.com/x-709125-z>

We are a CA state licensed family child day care provider (License #'s 073403677). We are close to hwy 80 and 4. Taking the side roads, it's just about 5 minutes drive from Lupine Elementary, Hannah Ranch Elementary and around the peaceful, beautiful City of Hercules.

We are a provider of Contra Costa Child Care Council, proudly serving the west Contra Costa County and nearby cities for the past 11 years. Happy Kids Home is licensed to conduct business in the City of Hercules and a member of good standing of the Hercules Chamber of Commerce.

Each child is unique, so we design and establish a developmental growth plan with the parents to stimulate their child's mind and help them develop their mental, emotional, and social skills. We prepare your child for preschool by teaching them basic reading and counting, shapes and colors and most importantly, to be potty trained! We encourage children to be excited about school and enthusiastic about learning. Our goal is to alleviate the stress parents feel about child care.
