Hi my name is Spencer And my Drummer and I are looking for a Bass Player to basically round out the sound and keep rhythm better. We have a lot of different types of music and Inspiration, from slow paced folky/blues to fast paced punk/grunge. All our music is ORIGINAL with one cover in our set list. "Window Shop For Love" - The Wipers

We just need a Bass player right now, nothing else. We want to perfect our current material and start scheduling shows ASAP! Just a few easy songs with good rhythm.

Inspirations: Jimi Hendrix, The Beatles, Scratch Acid, Melvins, The Wipers, Nirvana, Mudhoney, The Stooges, Flipper and Led Zeppelin. A large Bass Amp is provided and a place to jam.
