My house for sale. Priced low. Will go fast. There were some awesome loans. I know there was a rural loan where they gave you money because they wanted Gardner more populated. I used to think it was too far but it's only a couple exits pass Olathe Medical / old Great Mall of Olathe. Then there's the first time buyer program where it's zero down. You would be surprised what you actually get approved for..We just went off my husband's income..he got approved even with bad credit...Or poor credit. Already getting contacted. ..Hurry & get the process started already able to be moved into.
