Hello!

I am a pet sitter/dog walker, happily serving the Newark area. I have many years of experience and several happy clients who I currently serve. I am a pet owner myself and overall animal lover. In my free time I volunteer in 2 local animal rescues. I know how important our pets are and want my clients to feel stress free when traveling or away knowing their animals are getting the best care possible. I provide transportation to vet appointments, dog walking, dispensing food, administering medication, and long term pet sitting in their own home. My clients who are away for several days receive daily updates and photos.

If you have a pet need, please contact me, I'd love to talk further!

Thank!
