

Rehoming Olde English Bulldogge (Council Bluffs)

Location **Iowa**
<https://www.genclassifieds.com/x-709187-z>

Rehoming our 10 month old Olde English Bulldogge. He'd do best in a home with older kids. He's not mean he just plays too rough with our kids and my youngest is only 3. Other than that he's a very loving dog. Utd on shots and House trained. Still intact as he wasn't scheduled to get neutered until December. If you plan to breed him than I will not allow you to adopt him! He's use to cats and other dogs. If you can provide him with a forever home than call or text with some information about yourself and your home. 71230833zero5 or 712310four1two1. Rehoming fee is \$700. He is papered through IOEBA. Comes with kennel, bowls and food. No need to flag, we are not breeders. Just trying to find the right home for our dog. If you flag I'll just repost.
