

Persian Lap Cat (Newark)

Location **Delaware**
<https://www.genclassifieds.com/x-709190-z>

I have a orange and white female Persian cat that is 3 years old that I am looking to find a good home for. She comes with her registration papers and is utd on her shots until 2017 and comes with her records. She is very sweet and gets along with other cats and kids. She has a very flat face. has no health issues. Always uses the litter box. I am asking a rehoming fee for her.
